Join the Bowen PTO Board and/or Committees 2025/2026 Enhance your child's experience at Bowen!

The Bowen Parent-Teacher-Organization is a parent-led, all-volunteer organization. When you have a student at Bowen, you are a member of the PTO. Our job is to fundraise, plan and execute all the fun activities that happen outside of school hours and some during the school day. **We receive no funding from the Newton Public Schools** and depend on parents and caregivers like you to participate in the work that goes into these events.

Here are some things that our Bowen PTO does:

- Represents Bowen on a city-wide council to ensure our school gets the support it needs from the Newton Public Schools System.
 - We also have representatives with townwide groups like Safe Routes, FORJ (Families Organizing for Racial Justice), SEPAC (Special Education Parent Advisory Council), English Learners Parent Advisory Council, Food Advisory Council, METCO, CAS (Creative Arts and Sciences) and Newton Schools Foundation
- Supports our teachers directly through mini grants and teacher appreciation events.
- Manages and provides updates/improvements for the Bowen playground.
- Plans and executes the Book Fair, Bowen Moves, Halloween party, Mystery Dessert, Science Day, Spring Carnival and other activities.
- Funds all arts & sciences enrichment programs at Bowen.
 - These are the CAS events you have recently been invited to join. *See below for more info.*
- Supports the Fifth-grade yearbook and graduation event.
- Runs the room parent program.

The **Bowen PTO** wants **YOU** to join the leadership board. We are in need of parent volunteers to join the PTO Board and help lead committees so that we can continue to support the activities mentioned above.

We are specifically looking for Treasurer(s) and a Secretary.

Commitment to Bowen PTO Board involves a once monthly meeting (that can be attended virtually) and may involve leading or supporting one of the events mentioned above. Board members work directly with our principal and our teachers, so it can be an amazing way to connect with your child's education in an empowering way. If you cannot join the board there are plenty of ways to be involved throughout the year.

Please email us at chair@bowenpto.org to learn more!

A BIG Thank you to the 2025/26 Board

**and all of the amazing leads & volunteers!
We couldn't have done it without you!**

Want to know more about CAS?

Maybe your students have come home talking about banging Japanese Taiko drums in the auditorium, getting up close with owls or caterpillars in the cafeteria, learning or creating with an author or dancing to a Ghanaian folk song in their classroom. These have all been Creative Arts & Sciences (CAS) programs that Bowen's PTO brings to our school every year to enrich and complement students' classroom experience.

CAS is...

- A citywide program that allows each Newton Public School to bring in up to three programs for each grade, each year. It is an NPS tradition, beginning in the 1960s.
- Completely funded by each school's PTO.
- Programming that is fully organized and executed by PTO volunteers.
- *The overall biggest ticket PTO expenditure at schools across the city and here at Bowen.*
- The CAS Committee works with classroom teachers to bring in authors, wildlife specialists, dancers, experts on world cultures, among others, to help students connect in fun ways with topics being taught in the classroom
 - A BIG thank you to our CAS Committee for 2025/26 Karen R and Melissa R!
- We aim to provide three programs (the allowable limit) to each grade, each year.
- Some programs are school-wide, and some are brought back each year, creating a meaningful shared experience for Bowen students.
